

# Project Night Night

*Helping homeless children have sweeter dreams ...*

## **What does Project Night Night do?**

Project Night Night is an award-winning nonprofit that donates "Night Night Packages" to homeless and vulnerable children ages 0-12.

Each "Night Night Package" contains a new blanket, a new book, and a new stuffed animal -- delivered in a tote bag.

## **Why is Project Night Night needed?**

We believe that small actions can make a big difference in the lives of children. To ease the anxiety associated with homelessness, Project Night Night gives children care packages filled with high-quality childhood essentials and literacy items. Night Night Packages support the emotional and cognitive well-being of the children we serve.
